## -Title I News-

Jennifer Metzler, Principal

February 15, 2024

Myranda Isenberg, Secretary

On Monday, March 4, 2024, Williamsburg Elementary will celebrate Dr. Seuss's birthday with the National Education Association during *Read Across America*. In our community, *Read Across America* is on everyone's calendar! Members of our school's Board of Education and administration will take time to read to students in the classrooms, helping to motivate students to read and celebrate diversity in the community.

In addition, the *Cat in the Hat* himself will make an appearance. Students will enjoy green eggs and ham for breakfast and a birthday treat for lunch in the school cafeteria. Your child is encouraged to wear red and white clothing to school and may even top off their outfits with classic Cat in the Hat headwear!
