As the weather warms and the sun-loving creatures emerge, please remember to check with the school nurse to make sure your child's allergy medications and prescriptions are up to date, including inhalers and autoinjectors. Also, be sure your child wears clothing and footwear appropriate for outdoor gym classes and recess.

It's spring field trip time! Please watch for

information from your child's teacher about their class field trip. Things to take

note of our departure and return times, lunch arrangements, and appropriate clothing and footwear for the adventure. Also, be sure to return your child's field trip permission slip on time, and remember to thank a member of the Williamsburg Elementary Parent Teacher Organization for their support of our class field trips.
